

Ecosystem Graphic Organizer

- Add pictures of what would be at each level (Population, Community, Ecosystem).
- Copy your Ecosystem pictures (**ALL** of them – they can be small) and put them in Biotic or Abiotic.
- Use your notes to help remember each word.

Population (1-3 pictures)	
Community (4 pictures)	
Ecosystem (8 pictures)	
Biotic	Abiotic

Acronym

Come up with a memorable acronym to help remember the order of Species, Population, Community, and Ecosystem. Example: **S**ome **P**eople **C**an't **E**at

➤ **S**

➤ **P**

➤ **C**

➤ **E**
